

AUSTRALIAN HUET STANDARDS

- Increased Incidence of Rig Crews and Service Hands Coming into Australia from Overseas
- OPITO Certification Requirement not Practical nor Justified
 - HUET Providers General Up Grade World wide
 - Standards Equivalent or Superior in Norway, Other North Sea, US Coast Guard, etc
 - OPITO Accreditation Infrequent

Problem

- How to Assess and Maintain Accurate Records of HUET providers of the required standard
- Woodside compiling list based on best advice
- Role for an Australian Based Industry Body?
 - Industry Web Site?
