How is WorkSMART different from “BBS?”

- The Fundamental Theories are the same;
- WorkSMART is Customized to Schlumberger:
 - Cultural diversity, decentralized Management;
 - Retains the depth of mature Management Systems;
 - Designed for the long-haul...eventually to be used in all aspects of QHSE and Service Delivery

WorkSMART 
Recognize—Respond

WorkSMART Strategy?

- Assess failure modes in QUEST
- Immediate Causes: At-Risk Behavior Choices
- Root Causes:
 - Accountability
 - Risk Management
 - Communication

WorkSMART
Recognize—Respond

WorkSMART Milestones:

- Implementation in 2006;
- Objective Driven in 2007 and 2008;
- Number of Observation / Interventions in QUEST, March 5 2008: 64547
- Number of Commentary Task Assessments in QUEST, March 5, 2008: 38502 which is >80% of field personnel

WorkSMART 
Recognize—Respond
